Emerge-2025
(A State Level Technical Symposium)

-- Empowering Progress Through Technology

Dear HoDs,

As we prepare to host *Emerge-2025*, a State-level technical symposium scheduled for April 24, 2025, it's time to gear up, plan meticulously, and strive for excellence. The valuable contributions of each committee will play a pivotal role in ensuring the event's success.

In this view, the following responsibilities are assigned for the various departments for the smooth and successful conduction of event.

Sl. No	Committees	Department	HOD Signature
1	Registration and Reception	Basic Science	
2	Website	CSE	
3	Publicity	Civil	
4	Program Conduction and Evaluation	ECE	
5	Certificate Distribution	ECE	
6	Stage	EEE	
7	Design of Main poster, Event related posters, Invitations, etc	ISE	
8	Disciplinary and Photography	ME	
9	Guest Hospitality	ECE

Emerge-2025

(A State Level Technical Symposium)

-- Empowering Progress Through Technology

Responsibilities of various committees

Registration and Reception Committee

1. Take care of online and offline registrations.
2. Handle inquiries, and provide necessary information to attendees.
3. The committee sets up the registration system or software that will be used to collect participant information, process payments (if applicable), and generate registration badges/Id's or tickets.
4. They collect and organize participant information, including contact details, affiliations, and any special requirements.
5. Sending post-event surveys to participants to gather feedback, closing financial accounts, and providing reports on registration statistics to the organizing committee.

Website:

To design the website for Emerge-2025 and periodically update the event details by collecting them with the event coordinators (Ex: Event name, Date, time, Venue, Google form with QR Code for online participant's registration and online payment for registration) and any other related website updation.

Publicity Committee

1. Developing a marketing and communication strategy to promote the program to the target audience.
2. To Provide wide publicity about the fest in the college website.
3. To provide wide publicity about the fest in all Social Media platforms, JITD FB page, JITD Instagram page, Newsletters and Newspapers.
4. To provide the details of event with photos & news matter to the press and media partners to generate awareness and attract participants.
5. To send students to other surrounding colleges physically by inviting the Principal and Hods

Program Conduction & Evaluation Committee

1. Responsible for overall management of the event inauguration and valedictory.
2. Determine the sequence of activities and allocate time slots.

- ①
3. Ensuring the successful planning, execution, and evaluation of a program or event.

Certificate Distribution Committee

1. Design and Print certificate of the event.
2. Collect details of winners in each event and prepare their certificates.
3. Ensure proper distribution of the certificates in valedictory.

Stage Committee

1. To ensure the best on stage arrangements including Name plates, lamp, audio acoustics, Plant pot for watering etc.
2. To arrange for the bouquets and roses for the dignitaries.
3. To place the copies of program flow, invitation of inauguration, valedictory and water bottles on stage.

Design of Main poster, Event related posters, Invitations, etc:

Design Main poster, individual events related poster and do prepare the Invitation (Inauguration and Valedictory) and handover the same to the publicity committee for distribution to other colleges.

Disciplinary and Photography

1. Manage the crowd near registration stall.
2. Take care of discipline throughout event.
3. Arrange for photography of inauguration, Valedictory and events throughout the fest.

Guest Hospitality

1. Ensure that the necessary arrangements are made for the guests and judges of the fest from their arrival to departure like transportation, coffee, tea, snacks and lunch.
2. Contact Mr. Manjunath A R from mechanical department for the transportation to guests.

The Principal,

Jain Institute of Technology,

Davanagere.

Subject: Sponsorship for **EMERGE 2025** – Department of ECE

Respected Sir,

Warm greetings from **Abeyaantrix**.

We are pleased to inform you that, as a gesture of continued collaboration and academic support, **Abeyaantrix** is sponsoring the upcoming **EMERGE 2025** event organized by the **Department of Electronics and Communication Engineering (ECE)** at your esteemed institution.

This decision comes following the consistent follow-up and coordination by **Prof. Sharanabasaveshwara**, Assistant Professor, Department of ECE, and **Dr. Santosh Herur**, HOD, Department of ECE and Convener for **EMERGE 2025**.

We are happy to contribute a sponsorship amount of **₹10,000** towards the successful execution of the event.

We look forward to being a part of **EMERGE 2025** and strengthening our association with JIT Davanagere. Kindly let us know the necessary procedures to complete the sponsorship formalities.

Thank you.

Best Regards,

Objectives

Emerge - 2025 A State Level Technical Symposium

1. To provide a platform for students to develop and demonstrate their technical competencies through hands-on events and competitions.
2. To facilitate interaction between students and industry professionals, bridging the gap between academic learning and industrial practices.
3. To promote research culture and innovation by encouraging original ideas, project showcases, and paper presentations.
4. To enhance the institutional profile by hosting a high-impact technical symposium recognized at the state level.
5. To nurture leadership, teamwork, and event management skills among students through active involvement in organizing the symposium.

GUEST PROFILE

7

Dr. Suresh D S, a Visionary Leader in Education and Research, is a distinguished academician, researcher, and administrator with an illustrious career spanning over 30 years. He is currently serving as Director of CIT Group of Institutions and the Chairman of ISTE Karnataka Section. He has been serving as the Principal of CIT Gubbi from 2002, continuing to the present.

He holds a Ph.D. in Electronics Engineering from Mysore University, an M.Tech. in Biomedical Instrumentation from Mysore University, a B.E. in Instrumentation Technology from Bangalore University, an MBA in Human Resource, and a Ph.D. in Management.

Out of his passion, he has completed an MBA in Human Resource and did his Ph.D. in Management. He worked in various positions in industries and research institutes/organizations.

He worked for Toshiba Semiconductors, Future Techno Designs Pte Ltd. Singapore as a Technical Consultant, and Creative Labs Singapore.

Teaching & Research Contributions:

With three decades of experience in teaching and research, Dr. Suresh has made significant contributions to academia.

- He has published more than 50 research papers in reputed journals and conferences.
- He has successfully supervised 8 Ph.D. research scholars who have been awarded their doctorates, while 4 more scholars are currently pursuing their research under his guidance.
- His expertise spans electronics engineering, biomedical instrumentation, and management, making him a versatile and respected scholar in multiple domains.

Innovation & Funding:

Dr. Suresh has been a driving force behind technological innovation and institutional development.

- He holds 8 patents, showcasing his commitment to research and development.
- His leadership has been instrumental in securing research funding of approximately Rs. 4 Crores, enabling advancements in various academic and industrial projects.

Glimpses of Associations with Various Universities/Boards/Institutions:

- 7th Executive Council (Syndicate) Member - Governor Nominee - VTU, Belagavi
- Member - 6th Academic Senate, VTU, Belagavi
- Member – Statute Committee, VTU, Belagavi

- Member – Advisory & Steering Committee – Academic Staff College, VTU, Bangalore
- Governing Council Member & Steering Committee – VTU Consortium - VTU, Belagavi (2013 – Till Date)
- Member - VTU Research - Ph.D. Process and Regulation Formation
- Founder Chairman - Institution of Engineers India - Tumakuru Local Chapter
- Technical Committee Member - Karnataka Unaided Private Engineering Colleges Association (KUPECA)
- NBA & NAAC Assessor since 2018.
- Member of the NEP-2020 Implementation Task Force of Tumakuru University
- Governing Council Member of a few engineering colleges in Karnataka
- Associated with Tumakuru & CMR University

He organized (the first of its kind in the state) a symposium on “Sustainability Agenda for Technical Educational Institutions Located in Tier-II & Rural Areas in Karnataka,” which was appreciated by the Ministry of Human Resource and the Office of the Prime Minister - New Delhi, India.

He undertook a comprehensive study on “Workforce Availability Analysis” for a new HAL unit being set up at Bidrehallikaval, Gubbi Taluk. Along with an extract of the interview, a detailed report was published in “Bangalore Mirror” as a series on three consecutive days.

He is also the recipient of various awards such as:

- Tumakuru District Rajyotsava Award-2019 from District Administration, Govt. of Karnataka, for his admirable services in the field of education.
- Three consecutive National Awards from ISTE, New Delhi.
- AMULYA Award from Govt. of Karnataka.
- “Best Young Director of Technical Education Institutes in Karnataka” presented by CMAI Association of India in association with VTU, Belgaum in the 2nd National Karnataka Summit & Awards 2016.
- “Outstanding Scientist Award” for contributions and achievements in the field of Biomedical Instrumentation.
- "Education Leader Award - Director of the Year 2017" in Leaders Conclave 2018 held in New Delhi, jointly organized by Education Worldwide India and Indian Education Network.

- Moderator of the panel discussion of “Tec-VCs Conclave” held on 23rd and 24th November 2018, jointly organized by AICTE and VTU, Belagavi at Lalith Ashok, Bangalore.
- Achiever of the Year Award 2019 for achievements in his expertise areas.
- Lifetime Achievement Award-2019 for meritorious achievements in the field of Education Administration, presented by VTU, Belagavi & Dept. of Libraries, Bangalore.
- Excellence in Electronic Innovation - 2019 - National Award by CMAI.
- Awarded CMI Level 5 Certificate in Management & Leadership on 26th November 2019.
- Guru Shreshta – 2021 award by ISBR Business School on the occasion of its Founder’s Day Celebration.
- Guru Vishistha Award - 2022 by Dayananda Sagar Business School, Bangalore.
- Awarded “Best Director” for setting a new paradigm in Indian Rural Engineering Education during the 4th Asia Specific Education and Technology Summit on November 25th, 2022.
- “Thought Leadership Award” for unwavering dedication and exceptional leadership in advancing education by “Federation University Australia” on 13th September 2024.
- Best Director for Fostering a Culture of Engineering Education in Rural Areas” Award by the Federation for World Academics during the FWA Annual Conclave on 9th November 2024.
- Awarded the 'BEST Section Award 2024' for ISTE Karnataka Section for the presentation he delivered as the Chairman of ISTE Karnataka Section at the 54th ISTE National Annual Faculty Convention, scheduled to be held at Lamrin Tech Skill University, Ropar (Punjab), on 14th February 2025.

Dr. Suresh’s vision is to bridge the gap between academia and industry by fostering research-driven education and cultivating future leaders. His dedication, academic excellence, and administrative acumen continue to inspire students and faculty alike.

Arka Educational & Cultural Trust (Regd.)
Jain Institute of Technology, Davangere
(A Unit of Jain Group of Institutions, Bangalore)

Emerge – 2025 A State Level Technical Symposium

AGENDA

1. **Showcase Student Talent**
Highlight the technical, creative, and analytical abilities of engineering students through diverse events.
2. **Create a Platform for Innovation**
Enable students to present forward-thinking ideas and solutions to contemporary technological challenges.
3. **Encourage Statewide Participation**
Bring together students from multiple institutions to promote knowledge exchange and collaboration.
4. **Facilitate Exposure to Industry Trends**
Integrate expert sessions and judged events to align academic learning with current industry practices.
5. **Celebrate Technical Culture on Campus**
Build a vibrant, tech-focused environment that motivates students to engage actively in co-curricular development.

Rules and Regulations

- Team size 1-4 members.
- Time: total 7 hours, Arrive at least 30 mins early.
- Theme: Open or assigned domains.
- Tools: Open-source libraries allowed; external APIs not permitted.
- Submission: Code and documentation must be submitted before the deadline.
- Participants are encouraged to join other Emerge events during Hackathon
- Judging: Final decision by judges based on innovation, technical execution, UX, scalability, novelty, and relevance.

INVITATION

To,

Mr. Kotreshi S N
Assistant Professor
Dept. of CS&E
GMIT, Davanagere

Dear Sir

Greetings from Jain Institute of Technology, Davangere.

We are organizing A State Level Technical Symposium '*EMERGE-2025*' on 24th of April 2025. In this regard, we are pleased to invite you to judge the **Hackathon** event. The event will be conducted on 24-04-2025, at 08:30 AM in Jain Institute of Technology, Davangere premises. We hope your rich experience and guidance will help us get a better judgement and enrich students' views in this field. Our committee will be very much grateful for your kind gesture and guidance.

Looking forward for a positive reply from your end.

Thanking you,

Event Coordinators
Shafiulla Shariff & Manjunath K G

Dear Sir

Sub: Thanks giving letter

The Management and organizing committee place on record our heartfelt thanks and sincere appreciation for accepting our invitation to judge the **Hackathon** event conducted in A State Level Technical Symposium '**EMERGE-2025**' on 24th of April 2025 in Jain Institute of Technology, Davanagere. Your insightful comments and constructive feedback greatly enhanced the learning experience for all the participants, inspiring them to further refine their skills and talents. On behalf of the entire event organizing team, we extend our deepest gratitude for your invaluable contribution to the success of the **Hackathon** event. We hope to have the honour of working with you again in future events.

With sincerest appreciation.

Respected Sir,

Subject: Request for permission to use Decennial Block, MBA seminar Hall for Tech Exchange event during Emerge 2K25.

We kindly seek your permission to utilize MBA seminar Hall at Decennial Block for hosting **Tech Exchange** event as part of EMERGE 2K25. The event is scheduled for the **24th of April, 2025**, from 9:00 AM to 1:30 PM. Kindly do the needful.

This seminar hall suits ideal for the smooth conduction of the event. We would be grateful for your kind approval and necessary arrangements to facilitate the same.

Thank you for your consideration

Yours sincerely,
Tech Exchange Event Coordinators

Prof. Anusha T S (A)

Prof. Anusha K (A)

INVITATION

To,

Ms. Kavyashree G S

Director

CLOUDSTAGE

R T Nagar, Bangalore-560032

Respected Madam,

Greetings from Jain Institute of Technology, Davangere.

We are organizing a State Level Technical Symposium '*EMERGE-2025*' on 24th of April 2025.

In this regard, we are pleased to invite you to judge the **Tech Exchange** event. The event will be conducted on 24-04-2025, at 09:00 AM in Jain Institute of Technology, Davangere premises. We hope your rich experience and guidance will help us get a better judgement and enrich students' views in this field. Our committee will be very much grateful for your kind gesture and guidance.

Looking forward for a positive reply from your end.

Thanking you,

Event Coordinators

Respected Madam,

Subject : Thanks giving letter

The Management and organizing committee place on record our heartfelt thanks and sincere appreciation for accepting our invitation to judge the **Tech Exchange** event conducted in A State Level Technical Symposium '**EMERGE-2025**' on 24th of April 2025 in Jain Institute of Technology, Davangere. Your insightful comments and constructive feedback greatly enhanced the learning experience for all the participants, inspiring them to further refine their skills and talents. On behalf of the entire event organizing team, we extend our deepest gratitude for your invaluable contribution to the success of the **Tech Exchange** event. We hope to have the honour of working with you again in future events.

With sincerest appreciation.

EMERGE – 2025

(A State Level Technical Symposium)

Event Name: Tech Exchange

Venue: Decennial Block, MBA Seminar Hall

Timing: 09:00 AM

Topics for TECH-EXCHANGE

1. Is Artificial Intelligence a threat or a tool?
2. Online learning vs. traditional classroom – what's better for engineering?
3. Should coding be taught from school level?
4. Are soft skills more important than technical skills?
5. Impact of 5G technology on society.
6. Rise of electric vehicles – Are we ready with infrastructure?
7. Money vs. job satisfaction – What matters more?
8. Start-up culture – Should every engineer aim to be an entrepreneur?
9. Should engineering projects include a social impact component?
10. AI-driven decision-making – Pros & Cons
11. Social media influencers – Impact on youth
12. Chat GPT v/s Google bord
13. Digital Footprints
14. Cobots
15. Cryptocurrency and its potential to replace traditional banking.
16. Open-source vs. proprietary software
17. Future of Virtual Reality in Everyday life.
18. Open Network for Digital Commerce (ONDC)
19. Digital Twin
20. Can India become a global semiconductor hub?
21. E-Rupee / Digital Rupee
22. Impact of COVID pandemic on education
23. Should Driverless cars be allowed in India?
24. Role of engineers in disaster management
25. E-learning Pros & Cons

Drawing Format

- Participants must create an isometric view of the given 2D orthographic projections.
- The drawing must include correct scaling, angles (30° for horizontal lines), and accurate representation of features like holes, fillets, or slots.
- Tool: SOLID EDGE ST5

Judging Criteria

- Accuracy of the isometric projection
- Proportion and scaling
- Neatness and clarity
- Completeness of the drawing
- Use of standard conventions

INVITATION

To,
Dr. Rajaneesh N Marigoudar
HOD, Department of Mechanical Engineering
Jain Institute of Technology
Davanagere.

Respected Sir

Greetings from Jain Institute of Technology, Davangere.

We are organizing A State Level Technical Symposium '*EMERGE-2025*' on 24th of April 2025. In this regard, we are pleased to invite you to judge the *ISOTRIX* event. The event will be conducted on 24-04-2025, at 1:00 pm in Jain Institute of Technology, Davangere premises. We hope your rich experience and guidance will help us get a better judgement and enrich students' views in this field. Our committee will be very much grateful for your kind gesture and guidance.

Looking forward for a positive reply from your end.

Thanking you,

Event Coordinators

Respected Sir

Sub: Thanks giving letter

The Management and organizing committee place on record our heartfelt thanks and sincere appreciation for accepting our invitation to judge the **ISOTRIX** event conducted in A State Level Technical Symposium '**EMERGE-2025**' on 24th of April 2025 in Jain Institute of Technology, Davangere. Your insightful comments and constructive feedback greatly enhanced the learning experience for all the participants, inspiring them to further refine their skills and talents. On behalf of the entire event organizing team, we extend our deepest gratitude for your invaluable contribution to the success of the **ISOTRIX** event. We hope to have the honour of working with you again in future events.

With sincerest appreciation.

Rules and Regulations

- Players follow a 6-row sequence of hand, foot, or combo symbols.
- Step on foot symbols with the correct foot, touch hand symbols while balancing.
- For combo symbols, use one hand and the opposite foot.
- Balance is key—falling results in disqualification.
- Scoring is based on accuracy and time taken.
- The first player to complete all rows correctly wins
- Judge's decision is final.

Respected Madam

Sub: Thanks giving letter

The Management and organizing committee place on record our heartfelt thanks and sincere appreciation for accepting our invitation to judge the Tech Sketch event conducted in A State Level Technical Symposium 'EMERGE-2025' on 24th, April 2025 in Jain Institute of Technology, Davangere. Your insightful comments and constructive feedback greatly enhanced the learning experience for all the participants, inspiring them to further refine their skills and talents. On behalf of the entire event organizing team, we extend our deepest gratitude for your invaluable contribution to the success of the Tech Sketch event. We hope to have the honour of working with you again in future events.

With sincerest appreciation.

What is the extent of relevance of the delivered content to the following?

1. Engineering knowledge: Apply the knowledge of mathematics, science, engineering fundamentals, and an engineering specialization to the solution of complex engineering problems.

 Copy

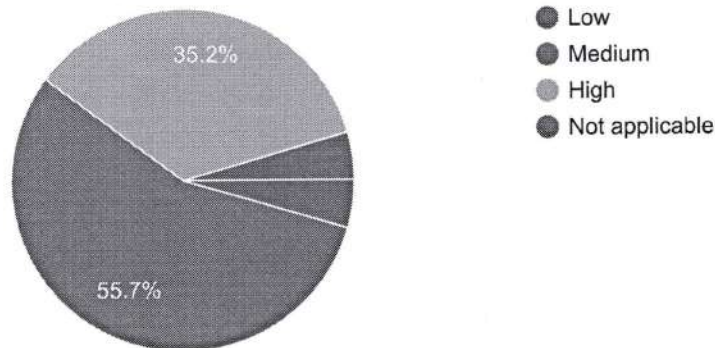

88 responses

2. Problem analysis: Identify, formulate, review research literature, and analyze complex engineering problems reaching substantiated conclusions using first principles of mathematics, natural sciences, and engineering sciences.

 Copy

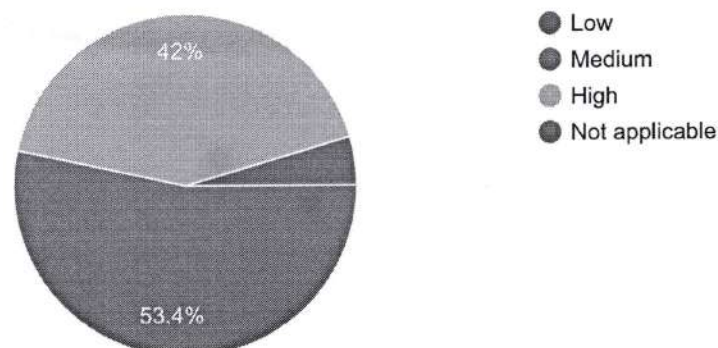

88 responses

3. Design/development of solutions: Design solutions for complex engineering problems and design system components or processes that meet the specified needs with appropriate consideration for the public health and safety, and the cultural, societal, and environmental considerations.

 Copy

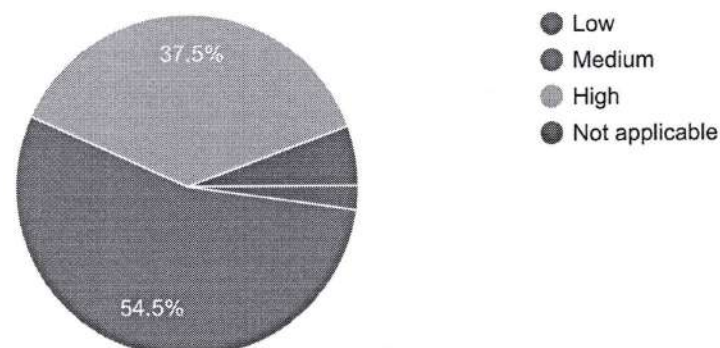

88 responses

4. Conduct investigations of complex problems: Use research-based knowledge and research methods including design of experiments, analysis and interpretation of data, and synthesis of the information to provide valid conclusions.

 Copy

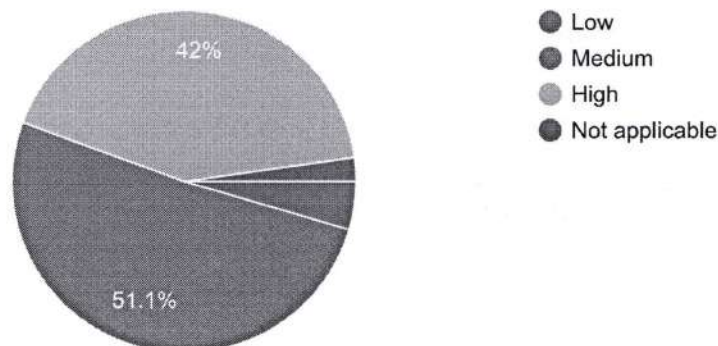

88 responses

5. Modern tool usage: Create, select, and apply appropriate techniques, resources, and modern engineering and IT tools including prediction and modeling to complex engineering activities with an understanding of the limitations.

 Copy

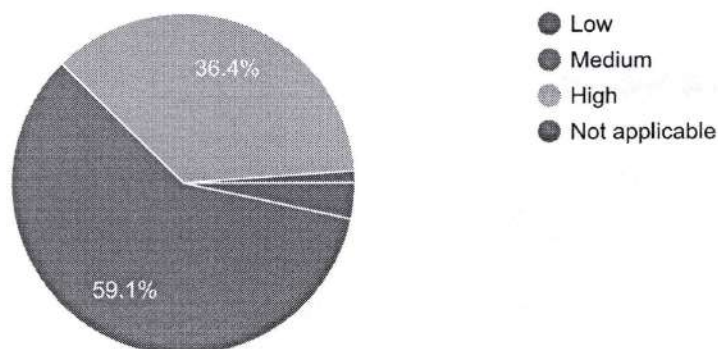

88 responses

6. The engineer and society: Apply reasoning informed by the contextual knowledge to assess societal, health, safety, legal and cultural issues and the consequent responsibilities relevant to the professional engineering practice.

 Copy

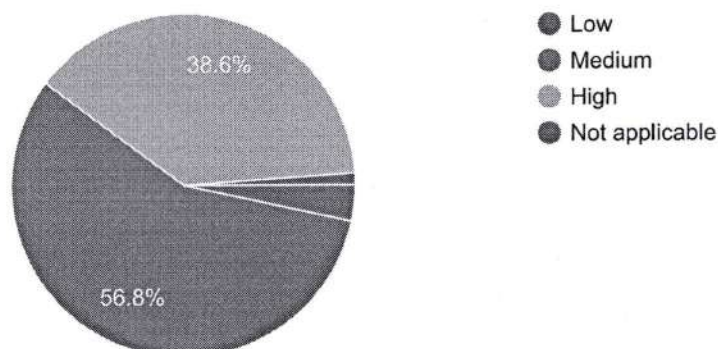

88 responses

7. Environment and sustainability: Understand the impact of the professional engineering solutions in societal and environmental contexts, and demonstrate the knowledge of, and need for sustainable development.

 Copy

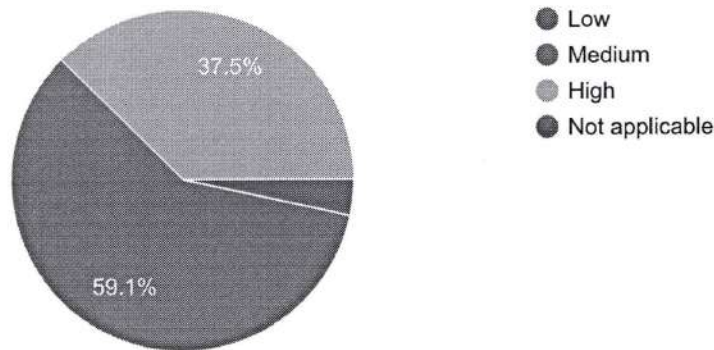

88 responses

8. Ethics: Apply ethical principles and commit to professional ethics and responsibilities and norms of the engineering practice.

 Copy

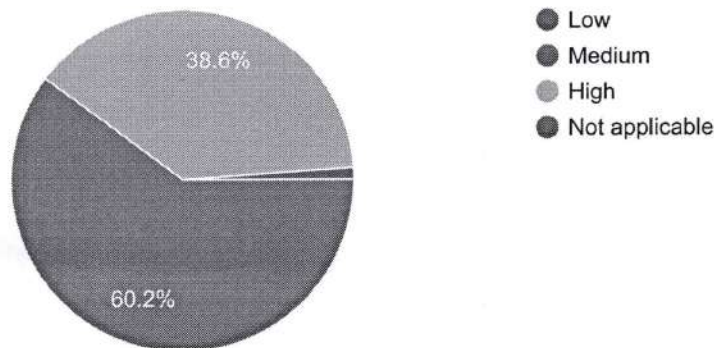

88 responses

9. Individual and team work: Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings.

 Copy

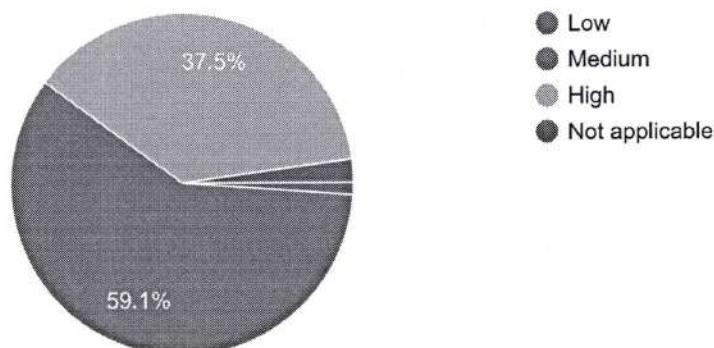

88 responses

10. Communication: Communicate effectively on complex engineering activities with the engineering community and with society at large, such as, being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear instructions.

 Copy

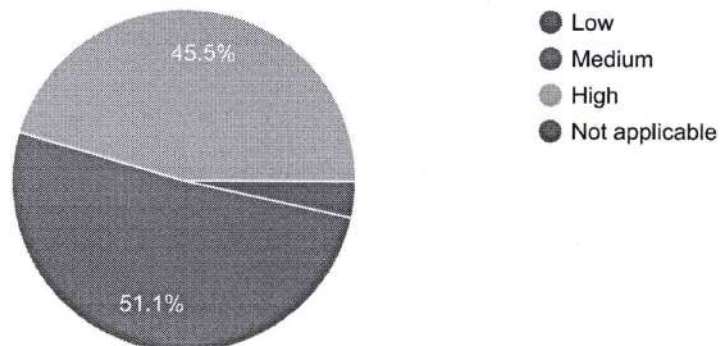

88 responses

11. Project management and finance: Demonstrate knowledge and understanding of the engineering and management principles and apply these to one's own work, as a member and leader in a team, to manage projects and in multidisciplinary environments.

 Copy

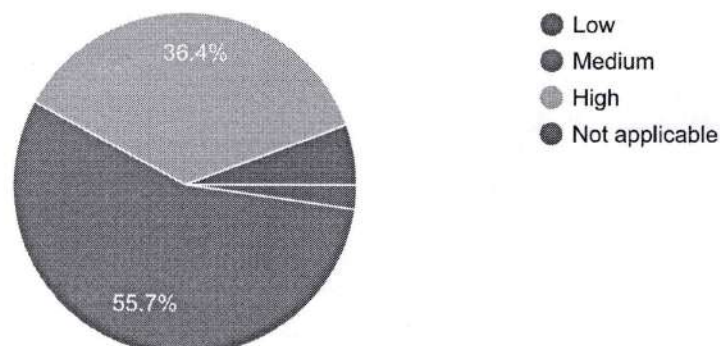

88 responses

12. Life-long learning: Recognize the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change.

 Copy

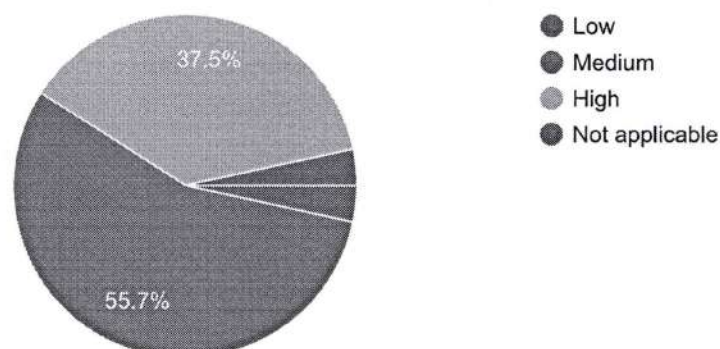

88 responses

PSO 1. Design Analog and Digital Systems using emerging technologies.

 Copy

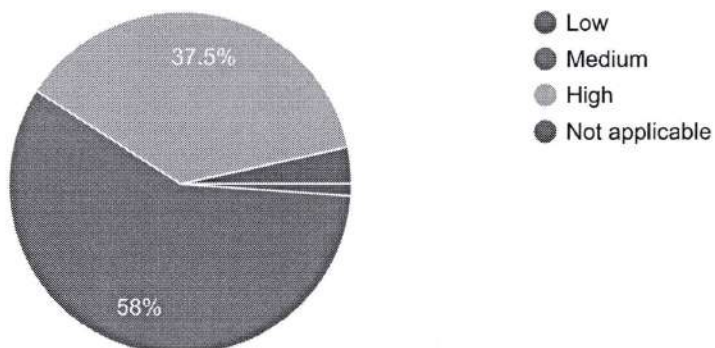

88 responses

PSO 2. Build a different model by applying technical knowledge in Communication, Networking, Signal Processing, VLSI and Embedded Systems along with Programming and Simulation tools for a variety of applications

Write a short note on how you felt about Emerge - 2025!!!

88 responses

Good

Good

Better

Not bad

Nice

Good experience

Nice

Have a good experience and knowledge

The EMERGE event was a great platform for students to showcase their creativity and problem-solving skills through the hackathon, ideathon, and quizzes. Each activity was engaging, well-organized, and encouraged teamwork and innovation. It was a fun and enriching experience for all participants.

Very Good Experience

It's good

ntg

I felt happy to participate in this event and i learnt something new and got the knowledge.

Was quite good

Good experience!!!

Myself Bhavana B from CSE department 2nd sem. Emerge is an amazing event, I have participated very happily and gives us more confidence and about enthusiasm and communication and problem solving skills.

Event went well

It's be a useful

It was good to participate and it gave some knowledge as well as entertainment.

It's was really usefull event. Every student learn more from it and I'm also thank you

It's nice, and i also participate in the Emerge-2025 in the event of E-fashion streak and it's good.

Yes, it's very nice we get confidence to attend other programs thank you for this opportunity.

This event was very good

Nice event

NICE

good 🍌

Good program

NA

Well done

Great

Good experience.

Not bad

It's a great event to showcase our talent..and also the participants may gain much knowledge from the event.

It was nicely conducted

It was nice experience in emerge

The emerge is a fantastic platform to learn about new technologies

Good and interesting game and it was very nice question

Emerge - 2025 was an inspiring and energizing experience! The atmosphere buzzed with innovation, creativity, and collaboration. Seeing so many passionate individuals come together with fresh ideas and bold visions for the future left me feeling hopeful and motivated. It wasn't just about showcasing talent—it was about building a community that supports growth, learning, and transformation. Truly unforgettable!!

I felt good

very interested and tough opponents, from that opponents interest is increased and my team enjoyed well

We gain more knowledge

It was really knowledgeable, i really felt amazed and i got inspired to do something.

Felt good

The event was very joyful and nice we enjoyed and learnt a lot from it

I am a 1st year student i was not having any knowledge about this emerge but not i learnt many this from here..

This event was very good

The Emerg-2025 was a great tech event by JITD. Hoping to learn more from attending such kind of events.

It was fun

Not up to the mark

It was nice experience

I felt good

Great event

In this fest I have enjoyed a lot in games . And we have gain some knowledge.

Exciting questions in all sets of rounds

..

It's an amazing event and we had lot of fun, confidence, enjoyment and problem solving skills.

It's help to get new knowledge

Good learnt lot of new things!!!

best and wonderful

Benefit event

It's good experience

Good efforts and innovative..... Increase the Prize money

I am satisfied with the conduction of the whole event

The event is very amazing

It's a very good experience being apart of merge its the good platform

I didn't got tag for emerge id card

It's good

Rewarding

Learned many things like,great project ideas and knowledge

Had good experience

I felt happy to participated in this event and I learnt something new and got the knowledge

Good experience, Knowledge gained

Respected Sir,

Subject: Request to be the Chief Guest for the Inaugural function of **EMERGE-2025**

With respect to the above subject, I would like to bring to your kind notice that, Jain Institute of Technology, Davangere is organizing **EMERGE-2025** a State Level Technical Symposium on 24/04/2025 (Thursday). The event aims to showcase technical brilliance and encourage innovative thinking among aspiring engineers. This symposium provides a vibrant platform for students to exhibit their technical talents, connect with peers, and gain enriching experiences.

In this regard, I request you to be the Chief Guest of this inaugural function on 24/04/2025 at 9:30 AM. Hope you will accept our invitation and do the needful.

Thanking You

Principal

Dr. Ganesh D B

Respected Sir,

Sub: Heartfelt Appreciation for Gracing Our EMERGE-2025 A State Level Technical Symposium as Chief Guest.

On behalf of Jain Institute of Technology Davanagere, it is with great honor and heartfelt gratitude that we extend our sincere thanks to you for gracing **EMERGE-2025 A State Level Technical Symposium** as the **Chief Guest** on 24th April 2025.

Your presence added immense value to the technical symposium and your keynote address was truly enlightening and inspired both students and faculty alike. Your words not only motivated our budding engineers but also reinforced the importance of continuous learning and professional growth.

We are especially grateful for your support and encouragement towards student-driven technical initiatives. Your visit has certainly left a lasting impression and contributed greatly to the success of the event.

We hope to continue this association and look forward to your guidance and support in the future as well.

With warm regards and profound appreciation,

Principal

Dr. Ganesh D B

REPORT: EMERGE – 2025

State Level Technical Symposium

Organized by: Jain Institute of Technology, Davanagere

Date: 24th April 2025

Venue: JIT Auditorium

Overview:

EMERGE – 2025, the flagship State Level Technical Symposium of Jain Institute of Technology, Davanagere, was successfully conducted on **24th April 2025**, drawing massive participation from engineering colleges across Karnataka. The event provided a dynamic platform for showcasing technical skills, creativity, and innovation.

A total of **1035 students** registered for the symposium. Since each student participated in **two events** (one in the morning and one in the afternoon), the total event participations recorded were **2070 entries** across all events.

EVENT LINE-UP & DESCRIPTIONS:

1. **Tech Exchange**

A technical presentation competition where participants shared innovative ideas and recent advances in engineering and technology, encouraging knowledge sharing and public speaking.

2. **Hopscotch**

A unique logic and puzzle-solving challenge that tested participants' reasoning, speed, and presence of mind in a game-based format.

3. **Ideathon**

A high-energy idea generation event where teams pitched creative and impactful solutions to real-world problems within a limited time frame, judged for originality and feasibility.

4. **Emerge Hackathon**

A coding marathon where participants tackled real-time problem statements, showcasing programming, debugging, and teamwork skills.

5. **E-Fashion Streak**

A fusion of fashion and technology, this event encouraged students to present wearable tech designs or tech-themed fashion concepts in a vibrant ramp-style format.

6. **Tech Sketch**

A creative drawing competition where students visually represented technical themes, innovations, or futuristic concepts through sketches.

7. **Gizmo Guess**

A fun and fast-paced event where students identified gadgets and tools based on clues, parts, or sounds, testing their familiarity with technology.

Arka Educational & Cultural Trust (Regd.)
Jain Institute of Technology, Davangere
(A Unit of Jain Group of Institutions, Bangalore)

8. **Istorix**

A quiz competition focused on historical technological inventions and the evolution of engineering, promoting awareness of tech history and legacy.

9. **Techno Art**

Participants blended art and technology by creating visually appealing artworks that conveyed technical ideas or modern engineering concepts.

10. **Tech Crossword Hunt**

A crossword puzzle challenge with clues based on science, technology, and engineering terms, stimulating vocabulary and subject knowledge.

PARTICIPATION STATS:

- **Total Registered Students:** 1035
- **Total Event Entries:** 2070 (Each student participated in 2 events)
- **Institutions Represented:** 50+ colleges from across Karnataka
- **Top Participated Events:** Emerge Hackathon, Ideathon, Tech Exchange

Highlights:

- Winners of each event were awarded exciting prizes and certificates of excellence.
- The event was inaugurated with a welcome address by Convener, Dr. Santosh Herur, followed by a vibrant cultural opening.
- Several industry experts and alumni served as judges and mentors across events.
- The organizing student committee showcased excellent teamwork and leadership, ensuring smooth conduct of the symposium.

Feedback & Outcome:

Participants appreciated the well-structured event format, diversity of competitions, and opportunities for networking and learning. EMERGE – 2025 effectively nurtured innovation, collaboration, and enthusiasm for technology among students.

Impact Analysis of the Emerge - 2025 A State Level Technical
Symposium

1. Skill Enhancement: Provided a platform for students to showcase technical skills through competitions, paper presentations, and workshops, boosting practical knowledge beyond the classroom.
2. Industry-Academia Interaction: Enabled participants to engage with industry experts and academicians, fostering valuable networking and real-world insights.
3. Innovation and Research Promotion: Encouraged innovative thinking and research among students, leading to the development of new ideas and potential project collaborations.
4. Institutional Reputation: Enhanced the hosting institution's visibility and reputation within the academic and professional community at the state level.
5. Student Confidence and Leadership: Improved student confidence, communication, and organizational abilities through active involvement in event planning and execution.
